- Supporting UI/UX enhancements to improve usability and accessibility across various devices and screen sizes.
- Assisting in debugging and troubleshooting frontend performance issues, browser compatibility, and responsive behavior.

EDUCATION

Afe Babalola University, Ado Ekiti – *B.sc Computer Science*

September 2019 - October 2023

Studying at Afe Babalola University (ABUAD) provided me with a robust foundation in computer science. I gained valuable technical skills and knowledge, graduating with a second-class upper B.Sc. in Computer Science. This education has prepared me well for the tech industry.
